Our Compliments

Grundy Hub is my lifeline; I couldn't be without it. Get Social gave Grandad his life back! I'm convinced that without it, he wouldn't have made it to 95! Thank you for making me feel so welcome and making my life so happy. Grundy Hub is a godsend. First-class treatment! Mum has a wonderful time at Grundy Hub. Get Social gives me a routine. I've never been anywhere so amazing with what's on offer. Grundy Hub encourages friendships, and we do lots of different activities. I like it because I need a hoist to be transferred, so I can come here and feel safe so if I ever need to use the toilet I can use it here. There are not many places I can go where I can go out, eat and just feel safe. Excellent.

Annual Blackpool Illuminations Trip

A great night was had by all, on our annual Blackpool Illuminations trip.

First stop was at our favourite chip shop in Cleveleys, then we set off through the lights, of course stopping along the way for our souvenir rock.
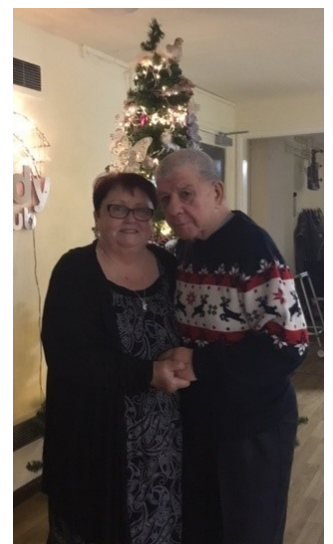

Not So Silent Night

Our Christmas party for people we support and their family and friends was a sell out.

We danced the night away and enjoyed a hot supper.

All proceeds made, went towards future entertainment.

More Christmas Celebrations

December was a busy month, we were invited to Derby High School for a special performance by the students and then presented with several hampers. We partied at Radcliffe Borough, and everyone donned their favourite jumper for Christmas Jumper Day. Not to mention staff dressing as Elves to raise awareness for the Alzheimers Society.

Burns Night & Croissant Day

Haggis was on the menu for Burns Night, but National Croissant Day proved to be more popular!
