

# Persona Employment Pathways

## Your Support Journey

Would you like to join our new service?

Talk to your support worker. They will help you fill in a form to join

A **job coach** will get your form and call you on your phone

A **job coach** is someone who will help you get ready to work or volunteer

Your job coach will meet you at your day service

When you meet you will talk about:

- what employment pathways is
- what your work goals are
- what you need to do to get ready to work

Your job coach will meet you regularly to learn about:

- your goals
- your skills
- your health
- the support you need

You will agree an action plan to learn new skills

You will meet the **progressions lead**

The **progressions lead** will help you find the right job

The right job is one that:

- you are good at
- you want to do
- gives you the support you need

Your job coach will help you:

- apply for jobs
- do job interviews
- learn how to travel to work

When you start work your job coach will:

- come with you on your first day
- work with you and show you how to do your job for a while

At the end of your first day your job coach will have a **review** with you

A **review** is when we talk about something that has happened

In your review we will ask you:

- did you like it?
- how do you feel?

You will have regular reviews with your job coach

Talk to your job coach if:

- you are not happy
- you want to end your job

Your job coach will make sure you don't lose any **benefits** while you work

**Benefits** is money the government gives you
