We're all about you

Grundy Hub is a place for people over the age of 50 to come and socialise, make new friends and have some fun.

If you could spare an hour or two either weekly, fortnightly or once a month to volunteer then please get in touch, we would love to hear from you!

We have a large outdoor space that's mainly paved or tarmacked with several raised boxes, flower beds and a pergola that all need developing and maintaining. If you are interested in volunteering your gardening skills then please get in touch.
