Our Compliments

Grundy Hub is my lifeline; I couldn’t be without it. Get Social gave Grandad his life back! I'm convinced that without it, he wouldn't have made it to 95! Thank you for making me feel so welcome and making my life so happy. Grundy Hub is a godsend. First-class treatment! Mum has a wonderful time at Grundy Hub. Get Social gives me a routine. I've never been anywhere so amazing with what's on offer. Grundy Hub encourages friendships, and we do lots of different activities. I like it because I need a hoist to be transferred, so I can come here and feel safe so if I ever need to use the toilet I can use it here. There are not many places I can go where I can go out, eat and just feel safe. Excellent. I would never miss coming to Grundy Hub. The staff are absolutely unbelievable, nothing is ever too much trouble. They care and understand how you feel, about your privacy and the food is wonderful - thank you to all the staff!

Persona

Food From Around The World

We enjoyed tasting food from around the world and learning more about countries and their cultures.

Exploring Italy at Persona Your Voice

We were part of the cultural showcase at Persona's quarterly Your Voice meeting.

Our spotlight was on Italy; we enjoyed sharing fun facts and connecting with everyone.

Photo Day

Lights, camera, action!
The prop box was raided and our best poses were out.

Visit to Bury Hospice

Some of our knitters visited Bury Hospice to drop off hearts they made. The hearts are gifted to families whose loved ones are receiving end-of-life care. Given in pairs, with one heart staying with the patient and the other being given to the patient's family, to bring some comfort at such a difficult time.

Autumn Crafts

Everyone enjoyed getting creative making an autumn display.

International Day of Older Persons

We marked this special day with a big party, even inviting Elvis along! The party highlighted the importance of maintaining strong social connections and living fulfilling lives, regardless of age.
