

## Our Compliments

Grundy Hub is my lifeline; I couldn't be without it. Get Social gave Grandad his life back! I'm convinced that without it, he wouldn't have made it to 95! Thank you for making me feel so welcome and making my life so happy. Grundy Hub is a godsend. First-class treatment! Mum has a wonderful time at Grundy Hub. Get Social gives me a routine. I've never been anywhere so amazing with what's on offer. Grundy Hub encourages friendships, and we do lots of different activities. I like it because I need a hoist to be transferred, so I can come here and feel safe so if I ever need to use the toilet I can use it here. There are not many places I can go where I can go out, eat and just feel safe. Excellent. I would never miss coming to Grundy Hub. The staff are absolutely unbelievable, nothing is ever too much trouble. They care and understand how you feel, about your privacy and the food is wonderful - thank you to all the staff!

## Dementia Action Week

Dementia Action Week was crammed with entertainment and fun! Our Knit and Natter group created forget me not flower pictures, which we framed, and a poignant display was created to raise awareness.

## VE Day

We celebrated the 80th VE Day in true 1940s style, with staff and people we support dressing up and enjoying entertainment, and proudly displaying their flags! A display was created to commemorate those we lost, and our Knit & Natter group knitted poppies and service men and women.

## Fun Days

We celebrated some fun days of the year:

- Emoji Day
- Chocolate Day
- Cream Tea Day
- Ice Cream Day
- International Friendship Day

Our celebrations included indulgence and crafts.

## Attended Persona's Party in the Park

We attended Persona's early 10<sup>th</sup> birthday party at The Green Café. Enjoying live music, garden games, craft activities and lots of cake, of course!
