

Our Compliments

Grundy Hub is my lifeline; I couldn't be without it. Get Social gave Grandad his life back! I'm convinced that without it, he wouldn't have made it to 95! Thank you for making me feel so welcome and making my life so happy. Grundy Hub is a godsend. First-class treatment! Mum has a wonderful time at Grundy Hub. Get Social gives me a routine. I've never been anywhere so amazing with what's on offer. Grundy Hub encourages friendships, and we do lots of different activities. I like it because I need a hoist to be transferred, so I can come here and feel safe so if I ever need to use the toilet I can use it here. There are not many places I can go where I can go out, eat and just feel safe. Excellent. I would never miss coming to Grundy Hub. The staff are absolutely unbelievable, nothing is ever too much trouble. They care and understand how you feel, about your privacy and the food is wonderful - thank you to all the staff!

Grundy Hub Quarterly Activities February - April 2026

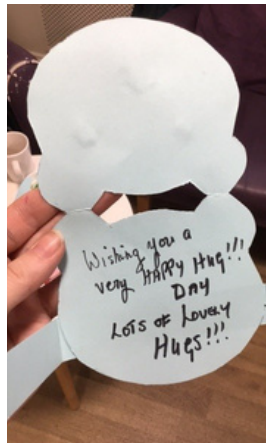

Chinese New Year

To celebrate the Year of the Fire Horse, we tasted and enjoyed Chinese food, made lanterns and created a display to mark this rare occurrence that only happens every 60 years!

Hug Day

It was hugs all round to celebrate National Hug Day! We designed bear hugs to send to people whom we could not hug in person.

Valentine's Fun

Love was certainly in the air! We baked, crafted and held a raffle to celebrate Valentine's Day.

Knit & Natter

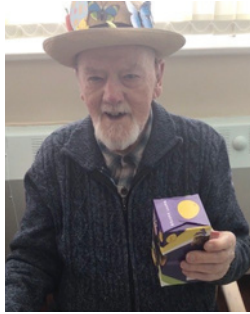

Our wonderfully talented Knit & Natter group have once again excelled themselves! They have been busy knitting and creating an 'Under the Sea' theme for our fish tank. But more importantly, they have knitted matching keepsake hearts for patients and their loved ones during end of life care on the AMU at Fairfield Hospital.

Easter Crafts

An eggcellent time was had at Easter, with bonnet parades, crafts, raffles, baking and our knitters got in on the fun by knitting rabbits and Chicks.

World Art Day

We got our creative juices flowing as people we support expressed themselves through art and created a fantastic visual display
